CONNECTING OPPORTUNITIES

Emmronn is more than a trading company; it connects opportunities from suppliers to customers to its rightful market. It's not just transactional, the goal is to create a meaningful and long-term customers and suppliers' relationship that will carry through the years and eventually help them achieve their targets and objectives.

WHO WE ARE?

**NOTHING FUELS GROWTH FASTER THAN CONNECTING
THE RIGHT PEOPLE AND PRODUCTS.**

We are a supply chain management and general trading company lead by a passionate and dedicated team. Emmronn is founded by industry experts with reliable trading experience and a long history of collaboration with manufacturers and suppliers worldwide.

**GO BEYOND THE BORDERS.
CONNECT WITH US.
THAT'S ALL IT TAKES.**

Through its network of partnership, Emmronn brings businesses together where opportunity matches the objectives. Our solid expertise in international trading and supply chain management will help accelerate your company's growth.

We help forge connections with customers from multiple industries to reliable suppliers worldwide. Our company will help you discover ways to grow your business with a broad portfolio of products and services from our network of industries.

WHAT WE DO?

OPPORTUNITY STARTS HERE.

At Emmronn, global trading presents growth opportunities for those who wish to expand their business to new markets. Leverage on Emmronn's entrepreneurial talent in anticipating foreign market trends and enabling companies to connect and create mutually beneficial relationships with its diverse network of international suppliers and customers.

HOW WE DO IT

EMMRONN. CONNECTING OPPORTUNITIES

Striving beyond success to be of greater value.

At Emmronn, our corporate values are ingrained into our operations that serve as our guiding principles in doing business.

CUSTOMER FOCUS

Delighting customers is at the heart of all that we do

Your business is our business. We care for your business like it's our own. We take the time to understand our clients' businesses and their unique set of circumstances, ensuring we go the extra mile to exceed expectations.

PRUDENCE

Good judgement and balanced decisions to pursue what is right

Prudence is the wisdom that guides every Emmronn employee to see the true good in every circumstance and choose the right means of achieving it. We shift our lens, look at things differently and reframe opportunities and challenges to discern and pursue what is virtuous, suitable and profitable for the company, our clients and stakeholders.

TEAM WORK

Collaborate synergistically to fuel success

We commit in achieving the goals through collaboration and constant communication. Our success and growth is made possible by the commitment and integrity of our diverse and highly valued team members. Only by sharing ideas, technologies and talents can we achieve and sustain profitable growth.

PROFESSIONALISM

Deliver more than expected consistently

We pride ourselves with competent people that are committed to deliver the objectives. Our reputation as a trustworthy business partner is critical to our business success. Uncompromising professionalism and a genuine pride in delivering high quality work underpins the reason for our continuous improvement to keep up with globalization.

EXCELLENCE

Intelligent direction and skillful execution

We are committed to deliver excellence in every step of the way. We want to delight our customers and suppliers by ensuring that the process is well monitored and implemented as committed – from supplier selection to delivery at your doorstep. We ensure that your goods are safely delivered to your destination and manage any issues that might occur during the process.

SERVICES

LET'S MAKE THINGS SIMPLE.

The choice is simple. Clear the roadblocks for growth.

The supply chain process is a complex one but we make it simple. Emmronn works hand in hand with the customers and suppliers to make sure everyone is guided from start to finish. Our commitment is to ensure that the objectives are met and completed on time.

SALES AND MARKET DEVELOPMENT

Knowledge is key to expand businesses beyond borders

Emmronn provides valuable market intelligence and sales solutions for companies who wish to expand their reach to new markets. By supplying our clients with the knowledge, insights and strategies, they are able to set future performance expectations, evaluate risk and analyze customer acceptance that will solidify their position and expand their reach to new markets.

STRATEGIC SOURCING AND SUPPLY CHAIN MANAGEMENT

Innovation unlocks opportunities

At Emmronn, we do things differently. We challenge conventional thinking and engineer innovative sourcing solutions that put you at a strategic position to procure the best products and services at the best value.

Emmronn provides you best practice approaches in supply chain management to improve productivity, increase cost savings and mitigate risks.

INTERNATIONAL TRADING & DISTRIBUTION

Getting the right products at the right time to the right places

International trading involves the exchange of goods and services across international borders and territories. Emmronn makes it easy for a supplier or customer to access the world by providing the expert route to supply or deliver the goods and services to meet our partners' objectives.

And there's more, Emmronn makes distribution simple by providing all-in-one logistical solutions to companies who do not want to burden themselves from importation processes and still want to manage the risk and achieve their objectives.

CORPORATE SOCIAL RESPONSIBILITY

WE EMPOWER TO MAKE A DIFFERENCE.

We believe that doing good is good for the business. This commitment is central to why many of our employees come to work every day, and it impacts the way we do business. Amazing things happen when we connect opportunities for our stakeholders and partners.

Together, we multiply the impact of individual efforts to transform lives, communities, and the planet. As we expand market opportunities for our suppliers and customers, we are able to support our social responsibility in building resilient economies in developing countries.

COMMUNITY OUTREACH PROGRAM

Contributing to the well-being of communities

Emmronn provides a venue for its employees and their families to give back to the community by sharing their time and resources to less fortunate children through Emmronn's annual outreach program with Paaralang Pantao (School for Humanity), a non-government organization that provides children living in poverty access to formal education.

STUDENT ASSISTANCE PROGRAM

We believe in investing in the future and it starts with empowering the youth.

The Student Assistance program provides employment and learning to underprivileged college students. Emmronn provides an opportunity to College students to work and at the same time pursue their studies. By working with Emmronn, they are able to pay off their tuition and allowances while at the same time providing actual work experience and training that will prepare them for real world challenges.

WHY PARTNER WITH US?

EMMRONN. A NAME YOU CAN TRUST

Trust has led Emmronn to many successful business transactions which are repeated for many years. By behaving credibly, securing the appropriate licenses, setting the right expectations, listening and adapting, and sharing knowledge with our partner suppliers and customers, Emmronn has built a strong foundation for long, lasting and mutually beneficial relationships.

Emmronn ensures that the best business practices are enforced by obtaining licenses from government regulatory/agencies to deliver legitimate and compliant products and services.

We will help you play by the rules. We will lay the groundwork to ensure your business is import/export compliant to mitigate regulatory risks and legal penalties.
